## News

July 2013:

Manuel A. Delgado, P.E., CEO of Hydrologic Science Inc. received the 2013 Civil Engineer Project Improvement of the Year Award from the American Society of Civil Engineers (ASCE) in Ontario, California. Here are some of the Award Ceremony photos:

Mr. Delgado received the Project Improvement of the Year Award from Matthew Addington, President of the ASCE for the San Bernardino and Riverside Counties ASCE Branch.

The project consisted on improving the foundations of the wind turbine based on a levee failure and scour analysis performed by Hydrologic Science, Inc.
